TRANSFER FROM GENERAL FUND TO CAPITAL RESERVE FUND

MOTION by Mr. Spears, seconded by Mrs. Watson,

WHEREAS, the Board of Education has determined the discrete amount of funds available after closure of the District's fiscal books for the 2014-2015 school year, the Superintendent recommends that the Board of Education authorize the transfer of a minimum of \$1,317,447.81 but no more than \$1,650,000.00 to the existing Capital Reserve Fund, which was approved by public referendum on May 20, 2008.

The District has been made aware of the possibility of a receipt of a significant amount of deferred revenue in the near future which, if so received, would require the District to recognize the income in the 2014-2015 school year and deems it prudent to fund the revenue as close as possible to the maximum amount. If the deferred revenue is received in sufficient time to be booked in the District's end of the year audit, the Board of Education authorizes the funding of this reserve up to the above limit, as possible and at such time the income is recognized. Otherwise the reserve will remain funded at the authorized minimum level.

All aye. Motion carried (7-0).

If the deferred revenue is received in sufficient time to be booked in the District's end of the year audit, the Board of Education authorizes the funding of this reserve up to the above limit, as possible and at such time the income is recognized. The District has been made aware of the possibility of a receipt of a significant amount of deferred revenue in the near future which, if so received, would require the District to recognize the income in the 2014-2015 school year and deems it prudent to fund the revenue as close as possible to the maximum amount. If the deferred revenue is received in sufficient time to be booked in the District's end of the year audit, the Board of Education authorizes the funding of this reserve up to the above limit, as possible and at such time the income is recognized.
