PRESENTATIONS

Mr. Clark introduced Jake Fikar and his father attended at the meeting. Jake was in attendance for a Boy Scout Badge requirement, which Mr. Clark commended him on.

Mr. Clark reported that the ESY Program went well this summer. The pool was utilized and the kids had a great time.

The courtyard looks spectacular. Thank you to Mr. Lisa for overseeing this summer construction project.

Mr. Clark introduced Mr. John Robertson of John Robertson Transportation Consulting. Mr. Clark asked Mr. Robertson to discuss the issue of child care transportation for our students and how it would impact the district should we provide for that. Mr. Robertson felt it could be done by simply adding the stops to our existing routes and should not have a big impact financially should the District decide to move forward. The Board will take his recommendations into advisement.

Mr. Clark then introduced Mr. Gren Menig who wanted to address the Board regarding providing a bus for students at Kramer Lane. He felt that his child would have to walk through the open gate at Pine Avenue School, which is closed and the walk through to the building is 2/10ths of a mile more. He asked the Board to consider adding a bus stop for the few children at Evergreen & Balsam.
